There is no record of insurance for this vehicle on the Motor Insurance Database (MID)

UK law requires a vehicle to be insured at all times unless you make a statutory off road notification (SORN) with the Driver and Vehicle Licensing Agency (DVLA).

You must have a valid motor insurance policy in place – if you don't have one, you are breaking the law and cannot legally use or keep this vehicle on the road.

DVLA records also show that a Fixed Penalty Notice for no insurance has been issued to the registered keeper of this vehicle.

YOU MUST INSURE THIS VEHICLE OR DECLARE AND KEEP IT OFF THE ROAD

The registered keeper of this vehicle may be fined and have it clamped or seized for no insurance.
